Dear Parents and Caregivers

Tēnā koutou katoa and Mālō e lelei

I was so proud of all our children who represented the school at the Eastern Zone and Bay Suburbs Cross Country on Monday. Both in their effort and achievement and in the way they presented themselves. Their sportsmanship was tremendous, cheering on children from our school and also other schools.

I would like to take this opportunity to thank the School Board for their tireless work for the school and their commitment and dedication over the last 3 year term. There is a lot of work that goes on behind the scenes that you don't see but is essential for the smooth running of a school. Although my time with this Board has been short I have appreciated the way they have made the transition into a new school for me, an easy one. I know they felt a lot of responsibility to the community for ensuring they employed a Principal who would fit best with the community. I certainly feel a lot of responsibility to live up to this. I would like to make special mention of our Board Presiding Member, Kathy Harding, who continues to give so much time to our school with her role on the Board but also for time given to the children with running club, Friday fitness and the events around the school. We would be hard pressed to find a more dedicated and committed Chair. I wish them all the best and hope that they remain involved in our school.

Our senior students have two busy weeks ahead. We wished the Year 8 children all the best as they headed off to Camp Adair yesterday. Although shortened by a day it was great that we were able to secure these postponed dates. They return on Friday and some of them head off the next day to AIMS Games in Tauranga. We have 49 Year 7 and 8 children competing in a variety of codes from futsal to yachting and tennis to just name a few. I would like to once again thank the parents and wish everyone all the best. I visited Y8 camp for a short time yesterday and will travel to Tauranga to see some of the children competing on Thursday and Friday next week.

It is with sadness that we say farewell to Miss Caoimhe Kennedy, Year 5, Room 26 teacher. Although she has only been here since the beginning of the year Caoimhe has made a lasting impression amongst the staff and is much loved by the children in Room 26. We will miss Miss Kennedy but we wish her all the best in her future endeavours.

I am looking forward to our first Pasifika fono next week on Tuesday 6 September, 5.30pm to 7pm in the staffroom. It will be nice to meet you all and share some Pasifika food together. Our Pasifika families should have received an email invitation and we await your RSVP. If you did not receive an invitation could you please contact the office.

I am pleased to say that we only have one positive case of COVID-19 amongst children in the school. There are still a number of children away with other illnesses but attendance is improving. From Monday 5 September we will be moving from 'compulsory' mask use inside, for staff and students in Years 4 and higher, to 'strongly recommend' the use of masks while inside. Masks will still be required to be worn during large assemblies in the hall, unless one has an exemption. Masks will no longer be required by parents while onsite but will be required when inside buildings. For the time being we ask parents to refrain from entering classrooms before and after school unless attending a prearranged meeting.

Let's hope the sunshine continues and you have an enjoyable Spring weekend.

Noho ora mai

OUR STAFF

We welcome back from maternity leave Mrs Brittany Abrahams and we welcome Mrs Jessica Moore. These wonderful teachers are sharing Room 3, our new Year 0 class which started at the beginning of the term. Below is a little bio each have written about themselves.

My name is Brittany Abrahams and I am one of the teachers in Room 3 which is a Year 0 class. I have 10 years of teaching experience and have taught from Year 0-3. I started at St Heliers Primary at the beginning of 2021 and I am very excited to be part of our school community again after returning from maternity leave. I have an almost 1 year old daughter, Daisy who keeps me very busy!

Kia Ora St Heliers School, my name is Jessica and I will be joining the year 0&1 team for the rest of the year. I am so excited to join your community and get to know your family. When I am not teaching I enjoy being at home looking after my Son Lachie who is 18 months. I also love to travel and snow ski. Previously before teaching, I was a snow instructor at Whistler Blackcomb in Canada. I look forward to getting to know you all.

YEAR 6 SPEECH COMPETITION

Over the past 3 weeks Year 6 students have been learning about speeches, what they are, where they can be used, the structure of a speech and how to deliver them. We had a theme 'discover' that we had to interpret and do our best to be creative and think outside the box.

All students delivered a speech on their topic based around 'discover' in front of their classes. Then three students were selected from each class for the Year 6 speech finals.

The finalists were: Ira, Rhys, Matty, Ryan, Aidan, Sam, Josie, Evie, and Zoe.

In the hall, we each presented our speeches to Year 5 and 6, as well as the finalists' parents who were invited.

The judges, Mrs Torrie and Mr Valvoi, decided the first, second, and third place winners of the whole competition.

The third place winner was Rhys, the second place winner was Ira, and last but not least, the first place winner was Aidan. This week on Wednesday Aidan went and represented Year 6 at the Remuera Zone Rehu Tai Festival.

YEAR 7 AND 8 GO TO WRITERS FESTIVAL

In August, Year 7 and 8 went off into the city to attend the 2022 Auckland Writers Festival. Many famous authors attended the yearly gathering including writers such as Kwame Alexander, Sonya Wilson, Graci Kim and Gareth Ward who all shared their ideas on how they wrote their stories and how others can write their own. The authors shared their inspiration about what got them to write and a little bit about their characters. Kwame Alexander is a poet famous for writing a New York Times bestseller known as "The Crossover". He shared a bit about his inspiration and characters. Kwame has now grown to be a very well known author of many famous books. Sonya Wilson wrote the novel "Spark Hunter". She talked about herself and her characters. "The last fallen star" was written by Graci Kim. In her presentation, she talked about her books, had a fun quiz and engaged her audience very well. Lastly, we heard from Gareth Ward. He wrote "Brasswitch and Bot" This book is based in Victorian times with a modern twist. He shared some magic tricks as well as facts about his book. After their presentations, all the authors answered questions. Overall, the day was very interesting and all the authors were amazing.

YEAR 7 and 8 MATHEX 2022

The buzzer went and the mathematics began. While questions were answered, runners constantly sprinted around the tables like ants on an ant hill. Each team of four had equations buzzing through their brains, as they raced to be the first team to solve all the problems. Tetrahedrons caused panic among many teams. Both Y7 & Y8 had two teams, each scoring between 75 and 90 points out of a total of 100. All problems needed to be solved within the ticking 30 minute timeframe. Lots of training was done for weeks and weeks beforehand, and a great time was had by all.

SPORTS CONTINUED

Eastern Zone Basketball

Resilience, diligence and sportsmanship. These are all traits the Y8 St Heliers Basketball Team displayed while playing in the Eastern Zone basketball tournament during Week 3. The skilled basketball players started by playing Sylvia Park School in a challenging first game. Fighting through the size difference, our team emerged victorious by no less than 5 points. Game 2 was against the tough opponent Sacred Heart. Powering through the many injuries, St Heliers continued to play their game against the eventual winners. This game went in the favour of Sacred Heart nonetheless. Lastly the Basketball Team faced another tough opponent - St Thomas' School. Game 3 was closer than the previous, our players were tired and worn down, however St Heliers managed to put up a good fight and not give up. Eastern Zone Basketball 2022 ended by watching the finals Kings vs Sacred Heart. On the ride home one of the cars got ice creams which kickstarted the recovery of their sore muscles. A big thank you Britta for coaching us and managing us on the day.
