Dear Parents and Caregivers

Tēnā koutou katoa

We have had a busy two weeks since the last newsletter with many events and activities. As you will see we have 3 pages of sports news in this newsletter. Thank you to our wonderful teachers who go above and beyond to provide meaningful and uplifting learning experiences for our children and the parents who support this.

The Year 7&8 children had a wonderful experience at Camp Adair last week. There were 160 students at camp plus parents and teachers. I was lucky enough to go out on Friday and was so pleased to see how well everything was going. The children were happy and fully involved in the activities. They challenged themselves, and the teachers and parents were fantastic. Many thanks to all those parents who gave their time to either help transport or supervise at camp, we can't do it without your help. While many primary schools no longer have camps due to health and safety regulations, cost, busy parents, and time commitment required of teachers, at St Heliers School we are lucky we have dedicated teachers willing to organise and give up their family time to take your children to camp, and wonderful parents who offer to support the teachers.

Next Friday we will be having Harmony Day, a day when all the students in the school take part in a range of cultural activities. I would like to encourage all the children to come dressed in national costume. This year the teachers will be running the majority of the activities as we have only had a few parents come forward to share something from their culture. If there are any more parents who would like to help a teacher with an activity for the day then please contact the office. Unfortunately, we cannot have spectators as it will be a busy, bustling day and we would like the older children to show leadership, and care for the younger children in their group.

Tomorrow we have our Citizenship Assembly. As well as recognising those children who consistently uphold our school values and display citizenship qualities, we will also be announcing the Student Leaders for 2023 and presenting them with their badges. There is a comprehensive process to become a Student Leader. They are required to complete a written application, followed by a stand up pitch to the Senior Leadership Team, Y7&8 teachers, and all the Year 7&8 students, who then have the opportunity to vote for 2 candidates. A tally of the student votes go to the Y7&8 teachers who then observe the children at camp, before meeting with the SLT to deliberate and make the final selection. This year we had 55 students apply and 13 were accepted. Fortunately, we have many other opportunities in the school to demonstrate leadership and Student Leaders who are House Captains relinquish this position to someone else.

With the joining of teaching teams this year, we have decided that each team needs a name. We will be announcing the names of teaching teams and the overall theme, at our assembly tomorrow. This will be the first time the children will know what the name of their combined year group will be.

Thank you to all parents for completing a 'student leave request form' if the students are going away during term time. I ask that this is handed to the office at least 3 days before leaving to provide time for the Principal's approval. Obviously, longer periods of time would require more notice. Every day matters with school attendance. However, I do appreciate the amazing learning experiences children have when travelling or visiting family. This is a timely reminder as we approach the April holidays.

HARMONY DAY

Celebrating Our Cultural Diversity

Friday 31 March

Whole School Event

Whole Day Event

YEAR 5 AND 6 TIRITIRI MATANGI TRIP

Year 5 and 6 students are currently learning about biodiversity as their Inquiry topic focus. Despite initial cancellations and disruptions, all six classes have managed to experience day trips by ferry out to Tiritiri Matangi which is a bird sanctuary in the Hauraki Gulf about an hour and 20 minutes away from downtown Auckland.

On arrival everyone was welcomed by a Department of Conservation worker as well as volunteer guides who speak proudly and knowledgeably about Tiritiri Matangi. Grouped with an allocated guide, the children were given a first hand experience around the island. A wealth of information was shared from the volunteer guides, where they helped students identify native birds in their natural habitat and discussed trees and other plant life. The children were also able to utilise this time to ask relevant questions to enhance their knowledge and understanding around biodiversity.

Students enjoyed the learning experience and had an excellent time furthering their knowledge and understanding of native bird life in Aotearoa.

HOT CROSS BUNS FUNDRAISER

Next week we are kicking off our **Annual PTA Hot Cross Bun fundraiser**. We know you loved supporting the school last year - thank you for buying and eating all those buns! Watch out for the email next week with all the details. We look forward to your support again.

YEAR 3&4 CULTURAL PARADE

Last week, we held our Year 3&4 Cultural Parade and shared lunch.

Each student wore a costume that accurately reflected their family's country of origin. We were a bright and colourful group; sporting national colours from all over the globe! The students researched their country of origin with many including a recipe from their culture to share with their classmates.

After the parade, Bonnie Jarvis (Ngāti Whātua) welcomed and blessed us all with her mihi whakatau followed by the waiata Te Aroha.

It was a truly heart-warming and memorable day and I would like to acknowledge all the effort that went into every cultural costume and dish that was prepared by whanau.

YEAR 7 AND 8 CAMP

One week after Camp Adair reopened their doors after suffering severe flooding, Year 7 and 8 arrived through the gates. The sun shone and the smiles grew bigger as the students faced their fears. The Leap of Faith, High Swing and the Confidence Course were just some of the highlights. Wading through the rapids and eel infested water, happy shrieks filled the valley. We couldn't have attended camp without our brilliant parent helpers who gave everything. Thanks to everyone who supported us to ensure that Camp Adair 2023 was the best one yet. All 160 students and 20 adults have created lifelong memories.

CHILDREN'S ASTHMA STUDY CAN YOU HELP?

We are looking for children with asthma to take part in a study comparing two different asthma inhalers

To take part in this study you must:

- ✓ Have been diagnosed with asthma by a doctor
- ✓ Be aged between 5 and 15 years
- ✓ Only use a reliever inhaler

For more information, contact:

- ✓ Sharin Asadi
- ✓ Email: info@optimalclinicaltrials.com
- ✓ Phone: 0800 737 327

What does it involve?

1 year

3 visits +
2 phone calls

Inhalers provided
free of charge

Asthma education

Reimbursement
for travel expenses

LINEWIZE

We are very excited to announce that we are partnering with Linewize to further increase online safety at St Heliers School. Linewize is a school manager network and safety monitoring system for each of our Year 5-8 children whilst using their **@shs.school.nz** account.

The Online Safety Hub is now live and includes access to the Qustodio Parent app. We invite you to join us in further building healthy digital habits and a safe online environment for your child by creating your own Qustodio account to use at home across two devices free of charge.

Key features include:

- Filter and block apps and content that you don't want your child to see
- Customise what your child can access during homework hours
- Balance screen time by setting time limits on devices as well as for specific apps
- Protect screen-free moments such as mealtimes and bedtimes
- As an extra safety measure, we have disabled all of our student accounts between 9 pm and 7.30am each night

Please use the link below to create your Qustodio account through our Online Safety Hub:

stheliers.onlinesafetyhub.nz

One parent/guardian needs to create the account in the first instance, and then additional parents/guardians can be invited and given access to the same features once the account has been created.

***Important point to note - when creating your Qustodio account a validation email will be sent to you. Please check your spam or clutter folder for the validation email.**

As a reminder, you can protect two additional personal devices (phones, shared iPads, etc.) **per family** free of charge.

For any further questions please contact Alex Wood via this email secretary@stheliers.school.nz

Alex Wood

MERIT CERTIFICATES TERM 1

Well done all those students who received Merit Certificates at the Year 5—8 Merit Assembly on Friday 3 March and those students who received Merit Certificates at the Year 1—4 Merit Assembly on Friday 17 March.

Merit Awards recognise those children who have made a conscientious effort to improve an aspect of their schooling. These awards are about qualities such as perseverance, commitment, determination, diligence, improvement or a positive attitude.

SPORTS UPDATE

St Heliers School Swimming Sports - Years 7&8

It was a fantastic fun filled day at the Year 7 and 8 Swimming sports at the Glenn Innes Pools on Friday 10 March. There was great participation from those who were competitive and those who wanted to just give it a go. The House Captains did an amazing job to rally the house and cheer for their team. Thanks to Nicola Gray, our sports coordinator, for organising the event. It was nice to see families watching this year and many thanks to the parents who assisted.

Year 6 Boys Freestyle	Tom D Hugo K	3rd 4th

On the 17th March a group of St Heliers students were lucky enough to be swimming against the best of the best from different local schools. Parents volunteered to drive us to and from Sacred Heart pools for this event. Once we had got to the pool we sat in our allocated seats and then started to warm up in the pool. After we warmed up, Year 5 students started their first heat and then Year 6 proceeded afterwards. Students represented our school in freestyle, butterfly, backstroke, breaststroke and medleys. Everyone was cheering and chanting on the side-lines for the swimmers and encouraging them to do their best. St Heliers had a fantastic day achieving some excellent results individually as well as in the team relays.

A special mention to Tom D who had some impressive results on the day.

Grace K and Tom D Year 6

Year 6 Boys Backstroke	Tom D Reuben H	1st 3rd

Netball Coaching

Two ex St Heliers School students are offering to coach a netball team as part of their Duke of Edinburgh service programme.

The girls are currently Year 10 students and have over eight years of netball experience. They could offer coaching to any Year level on Sunday afternoons starting this Term.

If you are interested please contact our Sports Coordinator, Nicola Gray nicolag@stheliers.school.nz

Eastern Zone Swimming - Years 7&8

The Year 7&8 Eastern Zone swimming sports was held at Sacred Heart Aquatic Centre last Thursday. While this date was the day of the National Teachers' Strike and Y7&8 camp, four of our top Year 7 swimmers, Reid S, Mack C, Kova H and Ruby D, chose to attend the event and experienced competing against their peers from other Eastern Zone schools. The standard of competition was particularly high, however Kova and Ruby made it through to seven finals between them. Kova also achieved an impressive 3rd place in the 25m Freestyle, earning her qualification into the Auckland Champs competition. Thank you to our parent helpers Kevin Sowerby and Mike Homik.

Kova

3rd - 25m Freestyle

4th - 25m Backstroke

4th - 25m Breaststroke

Ruby

7th - 25m Freestyle

7th - 25m Backstroke

6th - 25m Breaststroke

Rippa Rugby

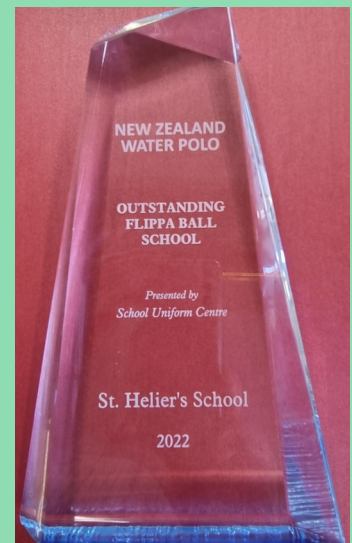

Year 1&2 students are currently participating in Rippa Rugby sessions on Tuesday mornings with coaches from Auckland University Rugby Football Club (AURFC). AURFC run a free three week programme for schools in our local community to promote Rippa. Students have learnt ball skills, playing as a team, and the concept of being on attack and defence. They have thoroughly enjoyed their extra time out on the field.

Jackie Lyon, Team Leader Year 0-2

St Heliers-Outstanding Flippa Ball School

After being nominated by Marist club in December last year, then a comprehensive submission made by Marisa Kyd (Flippa Ball Co-ordinator), St Heliers School was the overall winner in the NZ Water Polo Awards for outstanding Flippa Ball school. Ahead of all other schools in New Zealand, what a fantastic achievement! We are all very proud of you.

A huge thanks to Marisa for organising the teams at St Heliers School and pulling together the statistics for all the teams to show not only the success for the year, but the growth and progression of the teams to mini polo and waterpolo. Her efforts are appreciated.

Top Schools

The Rotary Club of Auckland East organise a wonderful Top Schools Fun Day every year at Churchill Park School for Year 3-6 students. This is a hugely popular event that many of our students look forward to participating in. A big thank you to Ingrid May and Cate Bus who organised 40 St Heliers School students into four teams to participate in Sunday's event. They had a great day saying "the kids were awesome; team managers were fabulous, and the community support was great".

"Fun day is when schools get together and play activities. We won 5 out of 12 games. There were 21 games all together. There was a place with ice blocks, donuts and chips. There was even a water slide. My favourite was wobbly wheels"

"Our adventure started at wobbly wheels. Riding on one of those things felt like we were falling for 10 minutes! We then moved on to ski run where we had to work as a team to put wooden blocks in buckets. After that we ran to the husky run. We needed to collect bags and bring them to the start line by pulling people on a sled."

Maddie C, Ruby H and Cooper G, Year 4 & Year 6.

WELCOME TO ST HELIERS SCHOOL

We would like to welcome our new students who started at St Heliers School since the last newsletter: Cici C and Lulu C.
