Year 7&8 has an optional BYOD (bring your own device) programme. The school is able to supply around 15 devices per class. Our wish is for students who have access to a suitable device to bring this to school for use in the classroom.

For more info checkout <https://www.stheliers.school.nz/en/learning/byod-bring-your-own-device>

Please ensure everything is clearly named before bringing it to school.

Purchase through these retailers and the school will benefit:
