

UNIFORM POLICY

**NAG 5
NO. 510**

Purpose

To ensure that through the uniform we are able to promote school pride and unity, provide an increased school identity both within and beyond the community, and ensure greater student safety on school trips by having students clearly identifiable.

Guidelines

1. The Board has the responsibility of setting the code and for making changes as required.
2. All students are required to follow the School Dress Code, which is a School Rule.
3. The Principal has the authority to sanction, in individual cases, variations from the code for genuine reasons such as medical and religious beliefs.
4. In cases of hardship families may pay off their uniforms. This arrangement is at the Principal's discretion.
5. Appendix A (attached) details the School Dress Code.
