

# INTERNATIONAL STUDENT APPLICATION FORM AND ENROLMENT AGREEMENT PRIMARY AND INTERMEDIATE SCHOOL

## PART ONE:

### Notes:

1. It is important that all relevant information about the student is included in this application. This information is used to ensure that the student is supported properly upon arrival and while enrolled, and to match them with suitable homestays, teachers and courses. Where information is included relating to health issues or learning needs, disclosure of this information will not automatically disqualify the Student from Enrolment. However, failure to disclose information or providing misleading information may result in the withdrawal of an Offer of Place or termination of a Contract of Enrolment.
2. The Education (Pastoral Care of International Students) Code of Practice 2016 requires that all students under 10 years of age must live with a parent or legal guardian in New Zealand while enrolled at a school, unless they are accommodated in a school hostel. Where a student under the age of 10 years is found to be living in accommodation other than with a parent or legal guardian, or in a school hostel, they will not be permitted to attend school and this will result in the withdrawal of an offer of place or the summary termination of a contract of enrolment.

Unless otherwise agreed in writing between the parties, the School's responsibility for the Student begins on the first day of the Period of Enrolment and ends on the last day of the Period of Enrolment, or in the event that the Student's Tuition is terminated, on the date of termination. The parties agree that any period of time in which the Student is in New Zealand before or after the Period of Enrolment will be at the risk of the Student and Parents/Legal Guardians and that the School will have no legal or moral responsibility for what occurs during this period unless otherwise agreed in writing.

If appropriate evidence is not provided, the School may organise insurance it considers appropriate and pass on this cost to the Parents or may refuse to allow the student to attend classes until appropriate evidence of insurance is provided.

## Fees

16. The Fee must be paid to the School in advance of each Period of Enrolment or as otherwise directed by the School. The Parents agree to comply with school policies regarding the payment of the Fee.

Where the Student lives with a Designated Caregiver, this Agreement is subject to a Designated Caregiver Agreement being entered into by the School, the Parents and the Designated Caregiver. In either case, a breach by the Student of the

Accommodation Agreement or of the Designated Caregiver Agreement will be deemed to be a breach of this Agreement.

23. Where the Student is in the care of a Residential Caregiver, the School shall seek specific written consent of the Parents before the Student participates in any activity either organised by the School or by another party which are considered to be adventure activities or extreme sports or are activities that are organised by the School and require the Student to stay away from their regular accommodation overnight.

24. Where the Student is in the care of a Residential Caregiver, except in the circumstances described in clause 24, this agreement is deemed to be written consent of the Parents for any activity organised and/or supervised by the School, including trips and physical activities, regardless of whether consent is sought from domestic students in relation to the same activity.

25. Where the Student is in the care of a Residential Caregiver, unless otherwise agreed in writing by the parties, this Agreement is deemed to be written consent for leisure travel or stays organised and supervised by the Student's Homestay or Residential Caregiver (where applicable) where the travel is within New Zealand for a period of not more than seven days and does not result in the Student missing any scheduled school days.

(Schedule Two)  
**St Heliers School**  
**International Student Disciplinary Policy**

1. The following is the School's current disciplinary policy for dealing with breaches of the Enrolment Agreement. This is not intended to restrict the School's general power of discipline and this policy may be changed from time to time at the discretion of the School.

**Overview**

2. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not warrant any formal response other than a warning, the School will endeavour, where appropriate, to follow a two-stage disciplinary process.
3. In Stage One, the School will investigate and determine the facts, and will reach a conclusion on what happened and whether it amounts to a breach of the Agreement.
4. In Stage Two, if the School has determined that a breach has occurred, the School will consider the appropriate response to that breach, up to and including termination of the Agreement.
5. The Student and the Parents will have an opportunity to provide a response to the alleged breach that the School is investigating (**the Allegation**) and any proposed disciplinary action that the School is considering taking (**the Proposed Action**).
6. This policy does not limit the School's power to take appropriate disciplinary action urgently and without following this process if this is necessary having regard to the seriousness of the breach.
7. This policy also does not limit the School's power to suspend the student for the duration of the disciplinary process where suspension is considered necessary for the safety or education of any person.

**General Policy**

8. When the School is conducting a disciplinary process involving the Student it will endeavour to provide the Student and the Parents with the following:
  - (a) a written summary of the Allegation or the Proposed Action;
  - (b) an opportunity to respond to the Allegation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
  - (c) an opportunity to consider the Allegation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Allegation or the Proposed Action) before giving a response;
  - (d) an opportunity to hear from the Parent before giving a response, unless the delay caused by contacting that person is unreasonable having regard to the seriousness of the Allegation or Proposed Action;
  - (d) an opportunity to have an independent support person of the Parents choice present at any meeting relating to the disciplinary process;
  - (e) an opportunity to meet with that support person in private at any stage during the disciplinary process;
  - (f) an opportunity to have a translator present (or otherwise facilitate the student participating in the process in his or her own language) during any meeting or process if the School or the Parents considers that a language barrier means that a translator is required; and
  - (g) a copy of this policy setting out the rights which the Student and the Parents have when engaging in the disciplinary process.

## **Disciplinary Procedure**

### **Stage One: Incident Investigation**

9. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise warrant a disciplinary response, the School will notify the Student and the Parents of the Allegation and will provide them with an opportunity to give a response.
10. Where appropriate, having regard to the seriousness of the Allegation, the Parents and the Student will have the opportunity to respond either in person or in writing or both, at the choice of the Parents. The School will receive this response and give it genuine consideration before making a decision about the Allegation.
11. When the School makes a decision about the Allegation it will advise the Student and Parent, in writing if possible, about its conclusion as to what happened and whether it amounts to a breach of the Agreement.

### **Stage Two: Outcome Discussion**

12. If the School determines that a breach of the Agreement has occurred, it will advise the Student and Parent of the possible disciplinary actions that it will consider taking in response to the breach and will provide the Student and Parents with an opportunity to give a response.
13. Where appropriate, having regard to the seriousness of the breach, the Student and Parent will have the opportunity to respond either in person or in writing or both, at the choice of the Parents. The School will receive this response and give it genuine consideration before making a decision about the disciplinary action to be taken.
14. When the School makes a decision about the disciplinary action that it will take in response to the breach it will advise the Student and Parents of its decision, in writing if possible. The disciplinary action will not take effect, and no actions will be taken to put it into place, until the Student and Parents have been advised of the decision.

# ST HELIERS SCHOOL INTERNATIONAL STUDENT REFUND POLICY

**NAG 6**

## **Purpose**

St Heliers School Board of Trustees recognises its responsibility to meet the requirements of the Education Act 1989, the Education (Pastoral Care of International Students) Code of Practice 2016 and the amendments to the Code 2019. The aim of this policy is that the request for a fee refund should be fair and reasonable.

## **Guidelines:**

### **Request for a refund of international student fees**

15. The School will consider all requests for a refund of international student fees. Requests should be made in writing to the School as soon as possible after the event leading to a request.
16. A request for a refund should provide the following information to the School:
  - a) The name of the student
  - b) The reason for the request
  - c) The name of the person requesting the refund
  - d) The bank account details to receive any eligible refund
17. Requests should be made in writing to the School as soon no later than one month after the Student's final date of attendance. To be eligible for a refund, the parents, or designated agent, with an authority from the parents, must apply in writing to the Principal, no later than one month after the Student's final date of attendance, explaining why the Student has withdrawn from the school and the reasons for seeking a refund.

### **Non-refundable fees**

18. The following fees relate to expenses that the School may have paid or will incur as a result of receiving an application for enrolment and cannot be refunded:
  - a) **Administration Fee:** Administration fees meet the cost of processing an international student application. Administration fees exist whether an application is accepted or not or whether a student remains enrolled after an application is accepted.
  - b) **Portion of Unused Tuition Fees:** The School may retain a portion of unused tuition fees. Amounts retained will relate to costs that have been incurred or committed to by the School and may vary.
  - c) **Other costs to the School:**
    - a. The student's share of the Foreign Fee levy paid to the government will be deducted.
    - b. Agent commission paid by the School.
    - c. Other costs incurred by the School for the use of facilities, resources, and the unused portion of the Year 1 teacher aid surcharge may be deducted.

### **Request for a refund for failure to obtain a study visa**

19. If the Student fails to obtain an appropriate study visa, a refund of international student tuition fees will be made less the Administration Fee.

Initialed by: \_\_\_\_\_(parent) \_\_\_\_\_(student)

### **Request for a refund due to illness**

20. If a student returns home due to serious illness of the student or because of the serious illness or death of a close family member a refund will be made less any relevant non-refundable fees set out in this policy. The request for a refund must be supported by medical evidence.

### **Requests for a refund for voluntary withdrawal from enrolment - Withdrawal prior to enrolment**

21. If the Student voluntarily withdraws prior to the start date of their enrolment, a refund of international student fees will be provided less any relevant non-refundable fees set out in this policy.

### **Request for a refund for voluntary withdrawal from enrolment - Withdrawal after enrolment**

22. If the Student withdraws on or after the start date of their enrolment, written notice of withdrawal is required by the School. Unless otherwise agreed by the School, a refund will be provided, less a minimum of ten weeks tuition fees and any other relevant non-refundable fees as outlined in this policy. If the Student withdraws part way through the term, the number of weeks completed (part week included) will be recalculated at the weekly tuition rate.

### **Request for a refund where the School fails to provide a course, ceases as a signatory or ceases to be a provider**

23. If the School fails to provide the agreed course of education or is no longer a signatory to the Code or no longer operates as an international education provider, the School will negotiate with the Student or their family to refund the unused portion of international student tuition fees or other fees paid for services not delivered

### **Where the Student's enrolment is ended by the School**

24. If the Student's enrolment is ended by the School for a breach of the Contract of Enrolment, the School will consider a request for a refund less:
- a) Any non-refundable fees set out in this policy
  - b) Ten weeks tuition fee
  - c) Any other reasonable costs that the school has incurred in ending the student's enrolment

### **Where the Student changes to a domestic student during the period of enrolment**

25. If the Student changes to a domestic student after the start date of their enrolment, the school requires written notice and the refund will be calculated from the date on which the domestic Student visa is sighted by the School. Unless otherwise agreed by the School, a refund will be provided less a minimum of ten weeks tuition fee and any other relevant non-refundable fees as outlined in this policy. The Student will then abide by the school enrolment scheme for domestic students.

### **Where the Student voluntarily requests to transfer to another signatory**

26. If the Student requests to transfer to another signatory after the start date of their enrolment, reasonable written notice of the transfer is required by the School. Unless otherwise agreed by the School, a refund will be provided less a minimum of ten weeks tuition fee and any other relevant non-refundable fees as outlined in this policy.

### **Rights of families after a decision regarding a refund has been made by the School**

27. A decision by the School relating to a request for a refund of international student fees will be provided to the Student or Parents in writing and will set out the following information:
- a) Factors considered when making the refund decision
  - b) The total amount to be refunded
  - c) Details of non-refundable fees

28. The Student and their family has the right to take a grievance to the Code Administrator or Disputes Resolution Scheme in the event they are dissatisfied with a refund decision made by the School.
