Dear Parents

Parent Workshop – Helping Children Manage Anxiety

A reminder that bookings for this Board of Trustees workshop are open. Jeanita Cush-Hunter from the Children's Autism Foundation will deliver a presentation about helping **ALL** children manage anxiety:

- What is anxiety?
- What does anxiety look like in our children?
- How does anxiety impact our children & our family?
- How does anxiety impact learning?
- Simple tips & strategies to help manage anxiety.

Wednesday 30 June from 7pm – 9pm in the School Hall. Parents from our Community of Learning Schools; Churchill Park, Glendowie Primary and Glendowie College are also invited.

Year 6 Tiritiri Matangi Island Trip

Year 6 inquiry this term is about biodiversity. To ignite our inquiry topic, during Week 2 we were lucky enough to ferry over to Tiritiri Matangi Island to spend the day learning and exploring. On arrival, we were welcomed to the Island by volunteers who were very proud of the wonderful bird sanctuary we were about to encounter. Each group was taken on a guided tour around the Island, listening intently to the history of the island, spotting many New Zealand native birds, and even sighting the great Wetapunga (giant weta). Thank you to the parents who gave up their valuable time to assist and help on the trip. Overall, Year 6 had an amazing and educational day and has furthered our knowledge and understanding of the wonderful birds, flora and fauna that New Zealand has to offer us.

Mrs Tong, Year 6 Teacher

Year 7 & 8 2021 Writers Festival

The Auckland Writers' Festival at the Aotea Centre was a very enjoyable event for the Year 7 & 8 students. Four speakers showed us their work, and all had entertaining stories in their presentations. The first author, Brian Selznick, talked about his artwork and four of his books' one of which was made into the movie 'The Invention of Hugo Cabret'. The next author was Shilo Kino, a young Maori woman, who last year released a book called 'The Porangi Boy'. She had been bullied as a child for how she looked, and her book is about a boy who goes through some of the same troubles that she experienced. Ten years ago, Jessie O wrote a book called 'Locked Down'. Because we are experiencing something very similar with COVID-19, she recently republished the book. Ben Brown, although not an author, talked to us about his opinions on some books. He was very enthusiastic and his opinions were quite entertaining to hear. The Writers' Festival was a brilliant experience - very inspirational, and entertaining.

Anna Sutherland, Mirahkle Lio Jones, Milena Scott & Simone Corballis, Y8 students

Year 7 & 8 Auckland Museum Trip

On Wednesday the 9th of June, all of Year 8 went on a school trip to the Auckland Museum - our topic for Term 2 is 'The Diversity of Life During Wartime'. The Auckland Museum had a really cool War Memorial. There was an excellent museum educator called Arron, who took each class around the war part of the museum, explaining everything about WW1 and answering everyone's questions. When we went to the memorial hall, Arron talked to us about the flags and why they were there. At the second memorial hall there were heaps of WW1 items that some soldiers used in WW1, and we were able to play with them (some people got to dress up). There were spades, food, clothes, cooking tools, letters, gas masks, first aid book, socks and hats. It was very cool - an excellent experience. While a class was on the tour, the others got to explore the museum.

Mimi Morris and Yfke Lotte Reijmer, Y8 students

Feedback from the museum educator: *"I wanted to email to tell you how much I enjoyed having the students, teachers and helpers from St Heliers School visit us today. Your students were so very polite, asked fantastic questions and demonstrated just how prepared they were prior to their visit. You should be very proud of your learners (as I am sure you already are). We look forward to your next visit to the Museum."*

Student Leaders

Student Leaders are Year 8 students who demonstrate leadership qualities, who consistently display our school values and have a high level of maturity. Student Leaders support the staff in various roles, represent the school in a variety of roles and are a voice for the student body. 12 Student Leaders were named during Term 1 and now, congratulations to the following four students, who were named as 2021 Student Leaders for the remainder of the 2021 school year:

- Amelia Morris
- Logan Ross
- Scarlett Peryer
- William Penman

Year 4 Grace Joel Visit

On Tuesday 25th May during Block 2, Year 4 students and their teachers walked up St Heliers Bay Road to visit the residents of Grace Joel Retirement Village. The weather was kind, and the students were respectful and sensible at all times during the visit.

We sang the New Zealand National Anthem first and the St Heliers School Song to the residents, receiving an enthusiastic round of applause. Next was the song Fish and Chips followed by an entertaining rendition of Bad Hair Day, much to the amusement of the assembled audience of residents and caregivers.

We then spent time with each of the residents, talking about inquiry topics, showing artwork and assignments along with asking the residents what they could remember about going to school. A very special moment was when the Year 4 students sang Happy Birthday to the beautiful resident Ivy who had recently turned 100.

Much to their delight, Year 4 were rewarded for all their efforts with a chocolate fish from the staff at Grace Joel. Year 4 students and teachers plan to return for another visit in Term 3.

Miss Mill, Year 4 Team Leader

Samoan Language Week May 31 - June 4

Talofa. To celebrate Samoan Language Week, we were fortunate to have Mr Reid come and talk to our Year 4 and Year 5 students. He is part Samoan and was raised in the Samoan culture by his Grandparents. He shared lots of information about Samoa's history, the language, and even shared stories that he was told as a child and now tells them to his children.

Mrs Bryant, ESOL Teacher

National Young Leaders Day

National Young Leaders Day was a great experience for us as Student Leaders. We got to hear from a range of leaders from sports players to actors to singers. Each leader gave us a different message. The first speaker was Cam Calkoen who was born with Cerebral Palsy. Although Cam has this disability it has not stopped him from competing in running events and giving motivational speeches.

One thing in particular that we noticed that Cam said, was “if you are nice to people, those people will be nice back to you no matter if you are disabled”. After we listened to Cam, Brooke Neal came on stage. She is a former Blackstick who went to the 2016 Rio Olympics. Brooke also has a Commonwealth Games gold medal to her name. After we heard this we were all expecting her to talk about some of her hockey experiences, but we were wrong. She used the concept of a duck when she was speaking. Ducks look like they glide across the water but in reality, they actually struggle underwater with their legs. What Brooke meant was that everyone struggles with some things, but there are some people that do not like to show their struggles to the wider world. In her early days Brooke was one of these people.

Some things that stood out to us were the fact that she said that “success does not come in a straight line”. After Brooke gave us a motivational speech it was time for morning tea. Outside we went for a feast. As always, Mrs Herbert delivered, supplying us with Fruit Bursts and Marshmallows 😊. Back inside the venue, the hosts pulled out two massive volleyballs and we got to make them go all the way to the back. After we played a couple of games with the volleyballs our next speaker walked onto the stage. His name was Shay Wright, one of 200 very lucky people to receive an email from the then President of America, Barack Obama, to all come together to celebrate young leaders. Shay said that he felt extremely nervous, but that nervousness was natural and that you should do something bigger than yourself.

But that was not it, we still had two speakers left and we could not wait to find out who they were. The 4th speaker at the event was Julian Dennison a young famous Kiwi actor that has participated in many popular shows around the world. Julian had many great quotes of wisdom like “don’t be famous, be a legend”. The final speaker was New Zealand musician, Benny Tipene. It truly was a day to remember.

Edward Mitchelson and Riley Leith Y8 students

Y7 Girls Soccer Term 2 2021

On Wednesday May 26, a team of Year 7 Girls took part in the Eastern Zone Tournament Soccer Team at Madills Farm. We competed against several Year 7 and 8 Teams and had lots of fun! The Soccer Tournament did not only require footwork skills but sportsmanship too. We had to compete as a team, and we all learnt some very important life skills. By the end of the day, we left exhausted but feeling accomplished and proud after receiving first place!

After Eastern Zones we entered the Auckland Championship, playing at Western Springs Seddon Fields. The weather was inclement, and we ended up winning one game. In total our team scored 6 goals and it got our result to 6th place. After the game all our players were drenched and freezing to our feet. At the end of the day, we were proud of the outcome and proud that we worked hard as a team.

Sonya Harduar and Saskia Gelbak, Y7 Rm30

Year 5 Science in a Van

Year 5 were treated to another gripping and informative visit from the Science in a Van team, Emma and Alan. The main purpose of the show was to introduce and demonstrate to the children Newton's 3 Laws:

- Once something is moving, it will carry on moving until a force makes it change.
- If something is going to move or is already moving depends on two things: the amount of force acting on it and its mass.
- When a force acts in one direction, there is a force acting in the opposite direction.

These three principles were portrayed in an action packed and humorous way with the children fully engaged and showing much enthusiasm. Every hand shot up when volunteers were asked for. Emma and Alan were astounded with the knowledge already processed by the children and their inquisitive questions. This experience has been of valuable support in the children's understanding when it comes to their rocket design for 'The Wonder Project'.

Miss Jackson Year 5 Team Leader

Give A Kid A Blanket

Recently, the St Heliers School community were asked to donate quality second-hand, or new items for the Give a Kid a Blanket organisation. This charity is a completely non-profit organisation, run by volunteers, who provide warm items to those in need. The deadline was set, and the community only had a week to donate items to Room 14. Very quickly the donations started rolling in and the classroom filled up with pillows, blankets, warm pyjamas, hot water bottles and duvets. I wondered whether we would have to move into another room!

The kindness and generosity shown by the entire St Heliers School Community was overwhelming. The faces of all the students (from Year 1 to Year 8) delivering items with their parents was so heart-warming. We managed to fill 3 cars to the brim with all of the donations and the team at GaKaB were completely overwhelmed and grateful. A big thanks to Lisa Ward and Alex Wood who helped me transport the donations. To the community of St Heliers - thank you all so very much for what you gave. You have made a difference to the lives of many who need it.

Mrs Herbert Room 14.

Bay Suburbs (Year 5 & 6) Boys and Girls Football

On Wednesday 9th June, the weather held, and two Year 5 and two Year 6 Football Teams were transported by an army of parents down to Glover Park, where they met a troop of teams from the other schools in the area, for the annual Bay Suburbs Interschool Football Competition.

It was a long day with a few showers dispersed throughout, but that did not dampen the spirits of any of the teams, nor their outstanding achievements. The Year 6 Girls and Boys Teams both won their finals as well as the Year 5 Boys Team. Barely behind them was the Year 5 Girls Team coming runner up in their competition. Skilful play and outstanding attitudes towards each other and opposing teams was also witnessed.

These are outstanding results, the best we have had for some time and display not only the depth and talent of our students but also our strong PE programmes run by the teachers and of course the excellent coaching skills offered by parents. We are looking forward to more sporting opportunities as the year progresses.

Miss Jackson Year 5 Team Leader

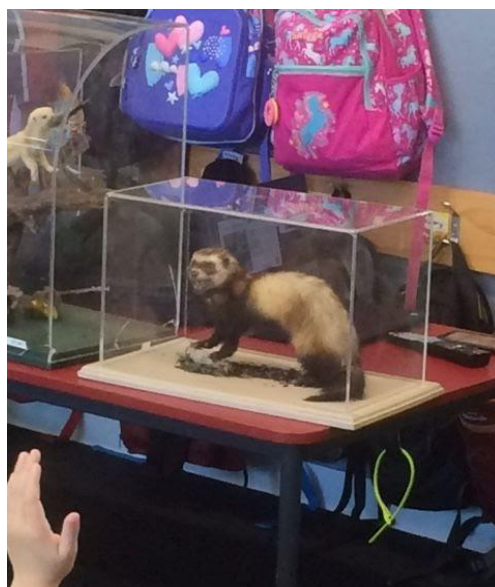

Year 2 visit from Native Bird Experts

Earlier this term, the Year 2 children had a visit from Nicky Elmore, Sustainable Schools at Auckland Council, to talk about the Eastern Songbird Trust and how we can make a positive impact on our native bird population by planting native trees and making us aware of pests and predators that threaten their extinction. We have been contemplating enhancing our garden space outside the Year 2 block and Nicky showed us how we could make 'tracking tunnels' and 'bite cards' to check if our area was predator free. The Eastern Songbird Trust has also told us that if we were to provide them with the information we collect about our garden predators, that they may be able to give us some funding toward making our garden space native bird friendly.

Later in the term Emma-Kate Paul, one of our school parents, came in to talk to us about a native bird and its predators too. Through her role at Genesis Energy, Emma-Kate was able to share her expert knowledge of the Whio, the native New Zealand blue duck. Genesis Energy and the Department of Conservation have been working together since 2011 to secure the future of the Whio through the 'National Whio Recovery Project.' The children were particularly excited to check out some predator exhibits that Emma-Kate was able to bring along.

Mrs Bartlam and Mrs Buchanan, Year2

Bay Suburbs Year 5 and 6 Rippa and Rugby Tournament at Colin Maiden Park

On Tuesday, June 15 we had 43 Year 5 and 6 Rippa and Rugby players represent our school at the Bay Suburbs Tournament at the Auckland University Rugby Club. With so many disruptions to sport earlier this year and last year, it was great to see the students participating in team sports again after many cancellations due to Covid protocols. It was an excellent day for all the players and we achieved outstanding results in both Year 5 and 6.

The Rugby Union team played against Churchill Park in the final. They tied at fulltime with three tries a piece in a thrilling final that went down to the wire. The Year 6 Boys Rippa Team played the Year 5 Boys Rippa Team in the final with the Year 6 finishing 1st and Year 5 finishing 2nd overall. The Year 6 girls Rippa Team finished second overall.

Apart from these pleasing results the sportsmanship and respect that the players showed after each game was commendable. All teams made an effort to shake hands with their opponents after the game in the true spirit of sport. Well done everyone and a huge thank you to the parents who assisted with coaching, managing teams and supporting the teams on the day.

Mr Young, Year 6

Eastern Zone Y7 Football Tournament

On the June 1, the Year 7 boys played in the Eastern Zone Football Tournament at Crossfield Reserve. It was a gruelling schedule of six games within four hours and was played on full size football grounds. The team played some tough games against some of the larger schools, but performed very well and improved as the day went on. After playing five round-robin games with no substitutes the team got into the playoff for 5th and 6th against Ellerslie.

It was a strongly contested match with each team having chances to score, however it was St Heliers who scored a goal with only minutes left in the game. Even though the team was very tired, they defended strongly and ground out the win to secure 5th place. It was a great way to finish the tournament. The Year 7 boys were well behaved during the day and represented St Heliers School very well. Thank you to Nicola Gray for her efforts in organising the team, the parents who attended, and to the boys who put in a great effort.

Darren Turner, Team Manager

Eastern Zone Y8 Football Tournament

The Year 8 boys attended the Eastern Zone Football Tournament held at Crossfield Reserve on June 3. It was a great day and pleasing to see the boys' team camaraderie, football skills and desire to compete on display. This ensured the team had some great wins. They made it to the 3rd/4th playoff against Kings School, losing narrowly in a penalty shootout. A great result for the team who displayed fantastic sportsmanship throughout the tournament.

Louise Mitchelson, Team Manager

Kind regards

Principal

Congratulations to these students who received Citizenship Awards:

Citizenship Awards - Term 2			
Yr	Rm	Name	Citation
1	3	Hugo McFarlane	Consistently displaying all of the St Heliers School values. Hugo is a self-disciplined, responsible and diligent student.
1	7	Georgia Smith	Being a wonderful role model to her peers. Georgia is a diligent and caring student who consistently displays all of our school values.
1	8	Benjamin Gerson	Consistently displaying all of our school values. Benjamin is a responsible and diligent student who is a very good role model.
2	4	Ruby Harris	Being such an empathetic pupil. Ruby, you show both kindness and courtesy to others. A wonderful role model for others. Ka pai.
2	5	Olivia Moxon	Taking a diligent approach to her classroom responsibilities. Olivia is a friendly, helpful student who always uses her initiative and is willing to help others.
2	6	Hektor Homik	Exhibiting our school values at all times. Hektor a responsible and respectful citizen who always shows empathy and care towards others.
3	11	Katie Green	Consistently demonstrating the school values of honesty, responsibility and respect. Katie is a caring friend who is always willing to help others.
3	12	Sophie Ray	Consistently demonstrating respect and kindness towards her classmates. Sophie is inclusive, considerate and is a great role model for others.
3	13	Tayla Tudehope	Her constant manaakitanga and respect of others. Tayla is always cheerful, helpful and extremely resilient. Ka pai to mahi Tayla.
4	16	Alyssa Fraser	Being an exemplary member of our school community. Alyssa consistently upholds all school values both in and out of the classroom.
4	17	Grace Kyd	The exceptional level of care and empathy she displays towards others. Grace is an example of true citizenship, both in and out of the classroom.
4	18	Lauren Wallwork	Effortlessly upholding all of the school values especially respect and care. Lauren is a compassionate and kind student who cares deeply about others and is always willing to help.
5	25	Milan Naidu	Being a well-mannered, responsible and empathetic student. Milan is courteous, treats everyone with respect and makes sure no one is left out.
5	26	Ira Poojari	Being an outstanding role model who consistently demonstrates all of our school values. Ira is respectful, caring and a true asset to Room 26.
5	27	Amelia Hallam	Always demonstrating our school values in everything that she does. Amelia is a diligent, respectful student who contributes positively to our classroom and school.
6	20	Adam Almahi	The exceptional level of care and empathy he displays towards others. Adam is a positive example of citizenship, both in and out of the classroom.
6	21	Alice Berenshteyn	Consistently displaying our school values and showing kindness and respect for others. Alice is a caring and empathetic student.
6	22	Clara Jones	Being an exceptional role model who continually upholds all the school values both in and out of the classroom. Clara is empathetic, responsible, diligent and always strives to do her best.
6	23	Vlad Barikov	Being an outstanding role model to his peers with his diligent and caring attitude. Vlad continually upholds all the school values in and outside of the classroom. Vlad is inclusive and considerate of the needs of others.
7	28	Rishiaani Khetarpal	The exceptional effort she puts in to being a positive role model for others. Rishiaani consistently shows all of our school values in everything that she does in and outside of the classroom.
7	29	Marin Sapir	Consistently upholding all of the school values and being a mature role model for her peers. Marin is an involved, inclusive and hardworking member of Year 7.
7	30	Paige Lund-Stone	Consistently demonstrating our school values with maturity and responsibility. Paige is a valued member of the class.
8	14	Jessica Whiteman	Upholding all of our school values, both in and outside of the classroom, with maturity and a smile on her face. Jessica is a positive role model for her peers and a delight to teach.
8	15	Hannah Pitcaithly	Consistently being an exemplary example of having a great attitude and excellent behaviour to all. Hannah is to be commended for her positivity, and the high level of care she displays towards others.
8	19	Scarlett Peryer	Being an outstanding role model who upholds each of our school values. Scarlett is a courteous and inclusive member of our class who shows care and empathy for all those around her.
