Dear Parents and Caregivers

Tēnā koutou katoa

Front of mind for the school right now are the Three-Way Conferences which are happening today through to this evening. I know the teachers and students are eager to share the progress your child has made and they are looking forward to sharing the celebration of learning. For some it will be the first time at a three-way conference. A reminder that every child must attend the conference with you. If there are other matters to be discussed in private then this can be arranged for another time.

It is wonderful to see the St Heliers School name and crest displayed on the stone wall at the front of the school. There is just the electrical lighting which needs to be connected before it is finally complete. I would like to thank both Mr Chris Brown who started the project on the previous board and Mr Grant Gillingham for completing the project on the current board.

Thank you to all those parents who supported the Glendowie College students when they held their bake sale after the Excellence assembly on Friday 16 June. The funds raised were going towards 'Jammies in June' for children through the Middlemore foundation. Certainly a worthy cause.

We have now had the Kiwi English and Math's Competitions and have the Science competition next term in the first week back, Thursday 20 July. Students who were absent for the English or Math's competitions can sit this at the same time as the Science competition if they wish.

It is great to see students representing the school in areas other than sports. A group of four Year 7&8 children represented St Heliers School at the EPRO8 engineering competition at Churchill Park School on Thursday 22 June in the evening and Year 5&6 competed the following day. Well done to all those children. I know that the tasks can be very challenging.

Monday was certainly a celebration of learning for Pakakē (Year 5&6) and Kākahi (Year 7&8). The Pakakē team shared their science experiments. They have been learning how to write their hypothesis, method and results and all showed a strong understanding of a 'fair test'. Miss Gormley, our Science teacher, will be very impressed when these children become Year 7 students. Kākahi shared their pod casts and research around their inquiry topic - Conflict. There was an interesting array of questions and topics. The standard across the Year 7&8 team is impressive.

This week is Support Staff Week and yesterday we celebrated the amazing work all our support staff do by holding a lovely morning tea, especially for them. They do amazing work which supports the learning of our students, allowing our school to function smoothly and efficiently.

We say farewell to Miss Melanie Momsen who has been the classroom teacher in Room 21. She will be taking a teaching roll in Christchurch where she is relocating to. We thank her for all her commitment and care to the children. We welcome Miss Anita Minnaar to St Heliers School and Room 21. She brings a wealth of experience to this roll. She will introduce herself to you all in the first newsletter next term.

Have a safe and happy holiday and I look forward to seeing you all in Term 3.

Sean Valvoi

Principal

SCENES FROM THE SCHOLASTIC BOOK FAIR

This week was book week and on Tuesday 27 June the children dressed in their favourite book character and paraded around the school. The younger students invited their grandparents and in the hall they listened to a story from the Scholastic Books lady, Rachael Hobson and Mr Valvoi.

Thank you all those who supported the school by buying books at the book fair.

Book Character dress up was a fantastic day and the children and teachers looked amazing.

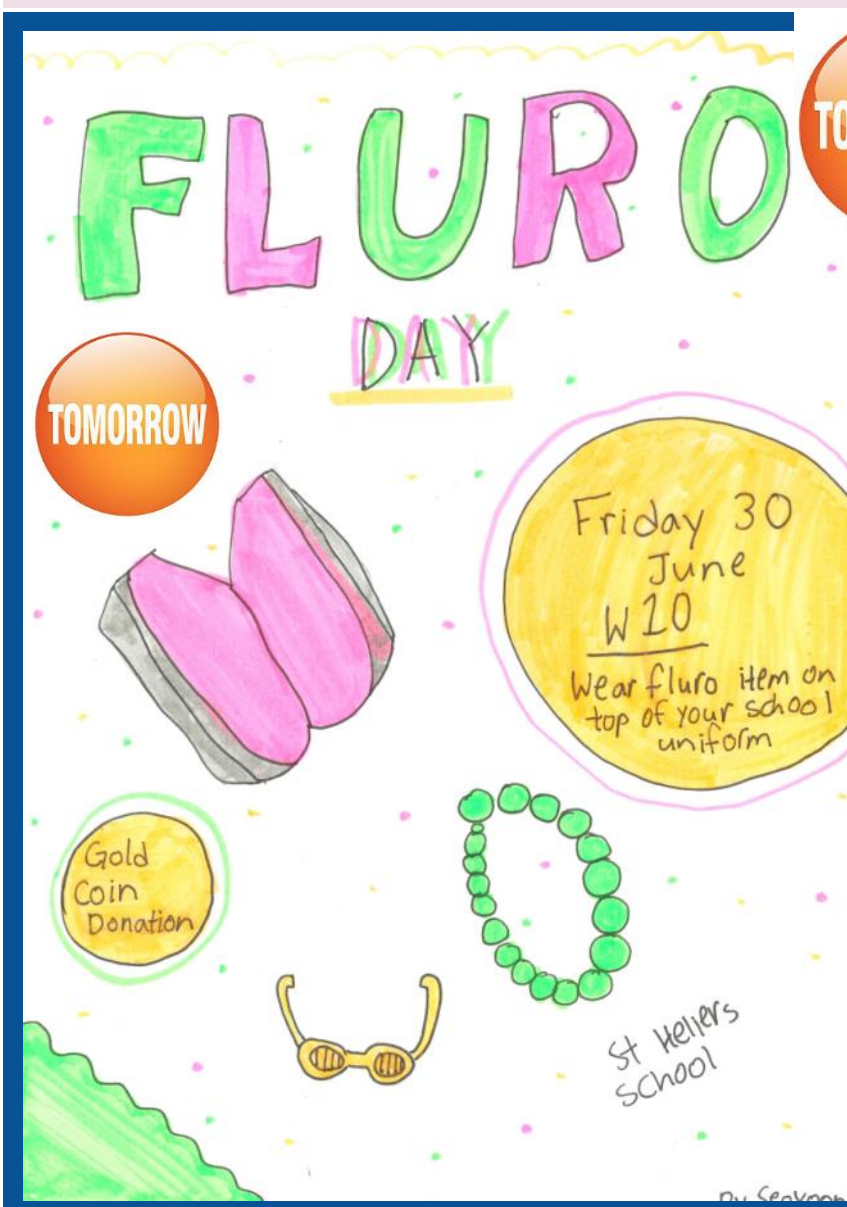

EXCELLENCE AWARDS TERM 1

Well done all those students who received Excellence Certificates at the Year 1—8 Excellence Assembly on Friday 16 June.

Excellence Awards recognise those children who have attained a standard of academic, sporting or cultural excellence in some aspect of their schooling.

FAREWELL MISS MEL MOMSEN

We would like to thank Miss Momsen for being our Room 21 teacher for the past two terms. Miss Momsen has been a dedicated and committed teacher, who has embraced the opportunity to build warm and caring relationships with all the Room 21 children and to further hone her teaching skills at the Year 5 level in a New Zealand school. Mel joined our school this year after moving from South Africa four years ago. She will be finishing her time at our school on Friday 30 June as she is moving to Christchurch to be with her partner who accepted a promotion earlier this term.

We would like to wish Mel all the best in her future endeavours, as she experiences living and teaching in Christchurch.

Patsy Torrie
Deputy Principal

KIWI COMPETITIONS

Thursday 20 July (Term 3)

Science—Year 5&6 9.30am

Science—Year 7&8 11.30am

TEREHU (YEAR 0-2) DINGLE DELL WALK—TUESDAY 13 JUNE

On Tuesday in Week 8, the Terehu, Year 0-2 Team went on a hike to Dingle Dell to observe what kind of insect life we could find in our local park environment. Following our study of minibeasts this term, the children were excited to see for themselves what and how many they could find in our own neighbourhood.

We were so lucky to have an expert parent, Claudio Cubillos-Ruiz, our resident entomologist to lead us and give us some pointers on how to find the insects, how to observe them and how to put them safely back into their habitat. The children all had a fabulous walk and were heard to say “This is the best trip ever!”

When we returned from our walk, Dr Cubillos-Ruiz gave us a presentation on his study of stick insects in South America and Canada and the children were treated to an interactive experience of how to pin and observe insects as well as several slides to view through a microscope.

Our resulting written work showed lots of new learning and a deeper understanding of the insect ecosystem.

Linda Bartlam and Jackie Lyon - Terehu Team Leaders

TEAM TEREHU YEAR 1 KOREAN TEA CEREMONY

In Year 1 we have had the pleasure of Korean International Students joining our classes. To help these students transition into our school it is important for us to gain a small understanding of some of the cultural practices that are important to the people of Korea. One of these is a traditional Korean Tea Ceremony.

To assist our Korean students with the transition phase into school we have Cecelia Kim. Cecelia, with the help of Minji So (Mother of Yujoo Kwon from Room 7) visited Rooms 2, 7 and 8 to demonstrate how a traditional tea ceremony is performed.

The children thoroughly enjoyed the experience and loved trying on traditional Korean clothing and tasting tea.

GIVE A KID A BLANKET

A massive thank you to all parents, students, staff and members of the St Heliers Community who so kindly donated items of warmth over the past three weeks, for the Give a Kid a Blanket charity. Many of the items donated were brand new. All donations will go directly to families in need, organised by the charity who work closely with Community Health Workers, social workers and the police. The kindness and generosity shown is greatly appreciated and will make a difference to many families.

Mrs Kerry Herbert
Y8 Teacher

EPRO8

For Epro8, two teams were selected to compete in the inter school competitions on Thursday the 22 June. Before the competition, two teams had to be selected through an in-school competition. These teams were both Year 7&8. We had to create a 'dunk tank' which was very hard and a 'certificate giver outer'. We had to follow a specific criteria which included challenges and practical word problems. It was all so much fun and we learnt lots of skills through electronics, to understanding the gears, pulley system and so much more.

The two teams that got selected to go through to the inter school competition were 'The Missing Screwdrivers' and 'Builder Beavers'.

On the day of the inter school competitions, we were all very nervous and excited. We arrived at Churchill Park School hall and there were at least five other different schools, and lots of new equipment to get the hang of before the competition started. We were given options on what to make, such as the rat wheel, the clock, and lots more. We all had great fun at the competition and gained a unique experience.

On behalf of Parmin, Khloe, James, Jamie, Daniel, Ian, Will and Alex, we would like to thank Mrs Herbert and Mr Christie for all your help and organisation. We appreciate all your guidance and are really grateful to have such great teachers!

By Parmin and James

SCHOOL UNIFORM

We are very proud of our school uniform which our Board has the responsibility of setting the code for. We believe that wearing a school uniform helps promote school pride and unity, and provides an increased school identity within and beyond the community.

Last week at our morning assemblies we talked to all the children about our school uniform as there have been a few children wearing items that do not meet our uniform policy. Please can you support us by ensuring that by the start of Term 3 your child wears our school uniform correctly and adheres to the following;

- footwear which are black shoes or sandals that are totally black without any white showing. No boots are allowed.
- socks that follow the policy which is on our school website, found at 'Our School, School Policies, Uniform Policy'
- all hair accessories must be the school colours
- long sleeved school shirt to cover a long sleeved undergarment

All children must wear their school uniform to and from school and footwear must be on. The exception is our sports uniform may be worn by senior children who have an early morning sports practice or are attending Bay Suburbs or Eastern Zone sports tournaments. School uniforms including school shoes must be in school bags if arriving in sports uniforms for early morning sport practices.

If there is a medical reason as to why your child will be wearing something that does not conform to our uniform policy, please ensure both the classroom teacher and the school office have this in writing.

We will be checking uniforms on a regular basis from the start of Term 3.

Patsy Torrie
Deputy Principal

SPORTS UPDATE

Year 5&6 Bay Suburbs Rippa / Rugby Tournament

Year 5&6 students participated in the Bay Suburbs Rippa / Rugby Tournament at Colin Maiden Park in St Johns on Tuesday, 13 June. Excitement and anticipation for the day ahead could be seen and felt everywhere. The students were ready to tackle and tag their worthy opponents and make our St Heliers School community very proud. All teams showed good sportsmanship and determination throughout the day, making them all champions.

St Heliers School entered 4 teams: a Year 5 and Year 6 girls' Rippa team and a Year 5&6 combined boys Rippa and tackle team. Our teams displayed great ball handling skills and supportive, cohesive collaboration. The Year 5 girls' Rippa team and Year 5&6 boys' Rippa teams came first in their pools. The Year 6 girls' Rippa team came second in their pool and the Year 5&6 boys' tackle team won two out of their four games and came close to victory in the other two matches.

We were very fortunate to have parent helpers for each team. The time, dedication and support from these parents are what make opportunities like this possible for our students. A massive thank you to each of the parents for all their help on the day and leading up to the tournament day.

Eastern Zone Hockey

On Monday the 19 June, the SHS Kākahi, Year 7&8 hockey teams played in the Eastern Zone tournament. The boys team had a tough pool playing against the likes of Kings and St Kents, but

managed to finish fifth on the day. The girls had a more rewarding outing, coming third after winning two of their four games. A massive thank you to Louise Mitchelson for managing the boys at the event and Odie Johnson for training both teams.

Hockey Opportunity

Keen to play more hockey? Don't miss the muster, send your details

to findlay.gabrielle@gmail.com and kim_carruthers@hotmail.com and we will keep you up to date about upcoming summer after-school six a-side hockey and winter 2024 team selection and training dates. There is also a Saturday winter umpire training programme for Year 9+ students, if your child is keen to learn.

Well done!

To Aria H who has been selected to represent Auckland at the Gymnastics National Championships being held in Tauranga in July. A great achievement Aria, and good luck for the competition.

To the two water polo teams who played in the Year 7&8 Winterfest over the weekend. The SHS Red Team won gold in the B grade and our SHS Blue Team came 7th in the C grade out of 16 teams.

SHS Blue team should also be acknowledged as they played so well. Both teams had junior school players involved making the achievement even more impressive.

AMAZING TALENT

Sylvie Hosken in Year 3, Room 11, was on the news this past week and represented St Heliers School wonderfully. Earlier this term, she bravely tried out for the Kea Kids News auditions hosted for the Paikea team (Year 3&4). She was selected to star as a news reporter for Kea Kids News as they investigated and explored new additions made to Onehunga Primary School. Check out Sylvie's fantastic work:

<https://www.nzherald.co.nz/nz/kea-kids-news-onehunga-primary-students-get-a-flash-new-building/J7HOUPNWKPUJHDEWG7TGD2BOSA/>

We are all so proud of her along with all the other students who auditioned for the role. Tu meke, Sylvie!

JUMPING JUNE

St Heliers School

PAIKEA Year 3&4

Jumping June Skip Off

Wednesday June 13th 2023 BLOCK 2

(11:10am - 12:40pm)

Week 8 Term 2 2023

St Heliers School Paikea Team held its very first Year 3&4 **HEART FOUNDATION JUMPING JUNE SKIP OFF** during Week 8. All the Year 3&4 students present on the day were able to take part in New Zealand's LARGEST Annual Nationwide Skip-A-Thon to raise money for the Heart Foundation - the only organisation that is dedicated to supporting all the children born every single week with heart defects in New Zealand.

Team Paikea teachers assisted their students to get prepped and ready for the Jumping June Skip Off by including skipping skills before school activities, fitness and PE sessions beginning sometime in Week 5. Each student received their very own personalised skipping rope (theirs to keep) to use at those times.

On the Jumping June Skip Off Day, the Paikea, Year 3&4, students jumped rope, hula hooped and jogged for one hour (in total - some breaks are included in between) travelling in differentiated Paikea skipping groups, moving from activity to activity every 4-5 minutes. There was music, water breaks, pavement chalk drawings and lemonade ice blocks for all at the completion of the event. Parents were encouraged to attend the event and were a valuable asset on the day.

All funds raised through St Heliers School Paikea Jumping June go directly to Heart Children (New Zealand's Child and Youth programme and services.) Through their participation in the Jumping June Skip-Off, Paikea students are helping other children living with a heart condition. It has been a great way for our children to learn the importance of supporting others in the community. To date our Paikea Jumping June Skip Off sponsorship donations have raised over **\$15,000. RAWES!**

MANDARIN UPDATE

How time flies! All of a sudden, it's already the end of the Term 2.

The Dragon Boat Festival, also known as Duanwu Festival, is an annual event celebrated on the 5th day of the 5th month of the Chinese lunar calendar. With a history spanning over 2,000 years, this festival holds great cultural and historical significance in China and among Chinese communities worldwide.

The festival is observed by racing dragon boats, eating zongzi (sticky rice dumplings), and hanging up colorful silk threads, all of which pay homage to Qu Yuan and his legacy.

In 2023, the dragon boat festival falls on 22 June. All classes at school, learnt about the festival by making a paper dragon boat, in Year 1&2 a paper dragon, in Year 3&4 a dragon boat, in Year 5&6, and in Year 7&8 a paper plate dragon. The children all really enjoyed making these artworks.
